SPRING

PRINCIPAL'S NOTE:

Hello HPJH families-

Thanks again to all of the amazing families that continue to talk to their students about doing the best they can, not only in school, but on the state testing that we have been doing the last few weeks. Your words of encouragement go a long way.....thank you. Remember that we do not have school on Thursday as all staff will be participating in an all day professional development.

The school year is going by quickly, hard to believe that it is May. While the end is near, we have so much work to do. We will continue to stress that we have lots of learning that needs to take place. There are lots of fun activities ahead, but we need to stay focused. Let's finish strong. Be sure you are still checking Mi star to make sure students are not falling behind.

This week on Wednesday we will be having a meeting for our 8th grade Washington DC trip at 6:00 in the auditorium. We will also be having an informational meeting for 7th graders at 7:00 in the auditorium to discuss next year's Washington DC trip. Please plan on attending if you want your student to take advantage of this great opportunity.

It is that time of year again.....allergy season. If your student is not feeling well and you are unsure of what it is, we have covid tests that you may have if you need them. We want everyone to be safe and healthy.

Let's have a great week!

With students in mind,

John Barnett
Principal
Hazel Park Junior High
