## PRINCIPAL'S NOTE:

Hello HPJH families!

We hope once again that you were able to enjoy some family time over the weekend. As you all know time flies so you need to enjoy every second that you have with your kids, they grow up way to fast. Thank you to all of the families that showed up to our Parent /teacher conferences last Thursday, we love to see all of our amazing families.

We have math game night this Wednesday night from 6-7:30, all families are welcome. Come enjoy a great family night out for some math games and fun.

We continue to use PBIS (Positive Behavioral Interventions and Supports) to help create a safe, responsible and respectful school environment. This week on Wednesday, we will be taking all of the students over to Hazel Park High School where they will be able to enjoy a matinee show of CLUE presented by our high school Drama club.

We live in Michigan, some days the building is warm and other days it is cold. The school board rules do not allow for winter coats to be worn in school. Please encourage your student to bring in a hoodie or sweatshirt to keep in their locker just in case it gets chilly. That being said, please remind your student that they should wear a winter coat. Only the students eating breakfast will be allowed to go into the building in the morning. Please reach out to the school if you have any questions.

Hope to see you all Wednesday night for math game night!!

Lets have a great week

**Be Responsible:** We are responsible when we lock our lockers. We lock our lockers to keep our personal items safe and to keep other people from putting items in our lockers.
