

Jardon Vocational School Parent Newsletter From The Principal

April 19th, 2024

Dear Jardon/Webb Community,

Our students have been working hard in the greenhouse this week to prepare for our Spring sale that begins on Tuesday, May 7. Our greenhouse will be fully stocked and ready for all of your Spring planting and Mother's Day needs. Please plan to visit to see the many plants we have as well as all of the micro business items for sale in our Jardon General Store. This is a really exciting time for our students as they get to exhibit all of their hard work!

Parent Teacher Conferences will be held in-person next Thursday, April 24. We hope you are able to schedule a time with your student's caseload teacher to come in and discuss their progress.

Please make sure to join us on social media! Find us on Facebook by searching for Jardon Vocational School. You will see regular updates posted there about what's going on at Jardon! Please feel free to contact me at heidi.kunz@myhpsd.org or 248-658-5953, if you have any questions or concerns.

Thank you,

Heidi Kunz

Staying Sharp on Sharps Safety

What is “Sharps Safety”?

“Sharps” are any device that can puncture skin, such as needles, syringes, lancets, auto injectors (EpiPens, etc.), and infusion sets. These items need special handling to protect people and pets from accidental injury.

After using a sharp, it needs to be stored safely for disposal, as simply tossing sharps in the trash is hazardous. Even when a sharp is capped, it can come apart in the trash and poke through the bag! Family members, dogs, cats, and other pets, as well as sanitation workers and wildlife, can come in contact with the blood/bodily fluids and medication remaining on the sharp, risking potentially life-threatening infection and other adverse events.

Traditional red plastic sharps containers are specially designed to hold these items. Some even have specially designed openings so little hands cannot reach in and pull them out! These containers are found online, at pharmacies, and other places where medical supplies are sold; some drug manufacturers even provide them through patient assistance programs.

Or, for a great free option, heavy-duty containers from home (laundry detergent, bleach bottles, etc.) can store used sharps. Just remember to clearly label the container as used sharps storage, and keep out of reach of children and pets! See <https://www.fda.gov/media/87658/download>

Once the container is full, there are several ways to dispose of it. Some hospitals and pharmacies accept sharps; call first to verify. Mailback programs provide shipping containers and instructions.

State and local collection programs are also available. See what your county offers here:

The food goes very quickly, so please come early to get in line. We cannot distribute items until the milk truck arrives and the setup is done.

Hazel Park Schools has partnered with Gleaners Community Food Bank to bring the School Mobile Food Pantry to our students and their families. ***Food distributions deliver 20-30 lbs of food, including milk, lean meats, fresh fruits, vegetables, and dry goods every month.***

Please line up in your car in the parking lot, going down Elza in front of the school. Please do not block any driveways. Food dates are explained from Gleaners on the back of this flyer.

A form MUST be filled out every time food is picked up with your full name and address. Food pick-ups can only be for YOUR family. We are sorry, but you cannot pick up food for friends that could not make it. The USDA and Gleaners set up these rules and regulations.

Gleaner's information will be sent by email and voice messages as reminders when you sign up for communications through your children's school.

Sign up for communications may be done through your Parent Portal on MiStar or the school district website, www.hazelparkschools.org/parents/resources--quick-links, then click on Alert Sign up.

Contact your Community Representative to help your family with resources for things such as bill pay, eyeglasses, local food pantries, and other resources. We want to make sure that all the needs of our students are addressed to the best of our abilities.
