From the Principal

Dear Webb Families,

I appreciate all of the wonderful ways that many of you celebrated our teachers last week. They certainly are amazing! The PTA and I also spoiled them a bit too, to help them know how appreciated they are.

I would like to remind all of our Webb families about the importance of getting into our new online system - PowerSchool. I know some of you may have tried and run into some roadblocks, but there are updated directions in this newsletter that should help. Because we are switching to a new enrollment system it is important that you have your child(ren) enrolled so we can account for numbers for student enrollment next year. You should have received information a few weeks back with your student that had your login information on it. If you are having any trouble, please reach out to Mrs. Adams in the office.

Sincerely,

Corri Nastasi

Principal, Webb Elementary

Bagels

Every Tuesday is bagel day at Webb. Students and staff can buy bagels for \$1 each. The flavors offered are cinnamon raisin, plain, salt & onion.

PowerSchool

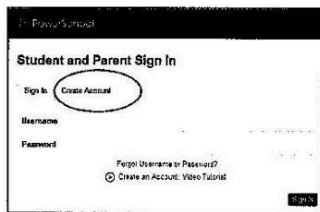

I know some of you tried to get on and register for PowerSchool. There was some trouble logging in given the original directions provided. Here are the updated directions which require you to first create an account, wait for it to be approved and then register. See below:

GETTING STARTED WITH POWERSCHOOL PARENT PORTAL

The PowerSchool Parent Portal website offers secure, private access to student information, including assignments, grades, and teacher contact details. Contact your school if you have any questions.

1 First Time Access: Create an Account

1. In your web browser, go to <https://hazelpark.powerschool.com/public/>
2. Click **Create Account** tab.

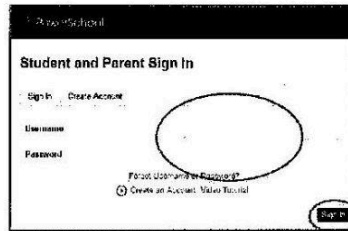

3. Click **Create Account**
4. Enter **your name and email**. Add a **username** and **password** for your account. You will use this to sign in.

5. Enter **student name** and **Access ID** and **Access Password** exactly as they appear in your letter from the school. From the dropdown select **relationship**.

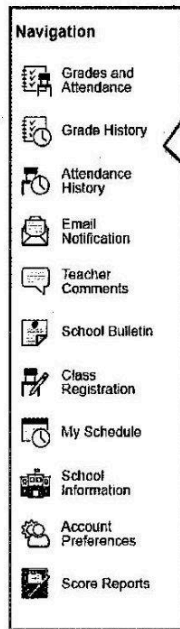

6. Click **Enter** at the bottom of page.
7. Now sign in to your account using the **username** and **password** you just created.

2 Sign In to Your Account

1. After you create an account, go to <https://hazelpark.powerschool.com/public/>
2. Enter your **username** and **password**.
Click **Sign In**

3. You are now able to see all available information for your student.

Click on the navigation icons to see your student's information.

No School on Thursday, May 16

There is no school for students on Thursday, May 16. The teachers will be engaged in professional learning all day on Thursday.

Summer School

Please see the flyer below about summer school in Hazel Park this summer. Here is the link to sign your child up for this: [Summer Programming Registration Flyer](#)

Teacher Requests

If you would like to request a specific teacher for your child, please email me at corri.nastasi@myhpsd.org. I cannot guarantee all requests as a lot of factors go into creating classes, but we will do our best to try to support the requests that come in. The deadline for this is May 20th. No new requests will be honored after that.

Arrival/Breakfast at Webb

Please remember that the doors do NOT open for breakfast until 7:40AM. Students should NOT arrive (whether walking or being dropped off) before that time. We do not have any adults working before that time to monitor students. Also, students should NOT be dropped off for breakfast unless they are eating breakfast at Webb. If they arrive early and don't eat, parents will be called and students could be prevented from coming in early if it continues. Students who are just coming to school for the day can enter the school after 8AM. We appreciate your help with this as we do not have staff on duty to monitor students who are dropped off too early.

Medicine

As allergy season is upon us I want to remind you that students CANNOT carry any medicine on their own at school unless we have medical documentation giving permission for that to happen. This includes but is not limited to cough drops, Tylenol, cold medicine, Motrin, inhalers. Please do NOT send your child to school with any of these items. They will be confiscated and brought to the office if they are in possession of any of these items without medical permission (on file in the office) from a doctor. We appreciate your help and support with this.

Playground After School

As the weather gets nicer, more families choose to stay and play on the playground after school. Please don't forget our school rule about playground use after school. Any students staying on the playground after school MUST BE ACCOMPANIED BY AN ADULT and the adult must be physically in the playground area. This does NOT count for older siblings. Students who walk home, must go home and cannot return until after 6PM (when latchkey is done for the day) without an adult. We do NOT monitor the playground after school. Adults MUST monitor their students. We appreciate your help with this.

Technology

Please remember that the school is not responsible for monitoring technology issues between students unless it directly pertains to a threat involving school or breaks our technology rules and is done during the school day. We expect parents to monitor this and suggest blocking people, blocking apps or reaching out to other parents if problems arise. Students are NOT to have any technology with them at school, which includes phones and/or smart watches. Students are absolutely NOT allowed to be on their devices during the school day for any reason. Anything that they bring to school should be left in lockers (we do not have locks for these) or given to the teacher or office during the day. We are not responsible for lost or stolen items.
