

March 14th, 2025

Dear Jardon/Webb Community,

The third, and final, card marking of the 2024-2025 school year has begun! Students began their new work rotations learning new and exciting skills. Work contracts are signed, safety checks are completed and students are adjusting to new routines.

We held our March Fun Night last night. Former and current students enjoyed dancing with DJ Nell, eating nachos, and bingo with O'Toma. We are thankful for our staff members who volunteer their time to make these events possible.

Please join us on social media! Find us on Facebook by searching for Jardon Vocational School. You will see regular updates posted there about what's going on at Jardon! Please feel free to contact me at heidi.kunz@myhpsd.org or 248-658-5953, if you have any questions or concerns.

Thank you,

Heidi Kunz

Rock Your Socks Day for World Down Syndrome Day in 2025 is on Friday, March 21!

Please join in and let's all wear mismatched socks in support of this very special day!

World Down Syndrome Day is celebrated annually on March 21. The date was chosen to highlight the uniqueness of the extra copy of the 21st chromosome that causes Down Syndrome!

- **People wear mismatched socks to show support for people with Down syndrome and to raise awareness.**
- **The socks symbolize the three sets of the 21st chromosome that people with Down syndrome have. When looking at a karyotype, which is a picture of chromosomes, the chromosomes look like paired socks.**

Just From Jessi Transition Coordinator

Welcome to Rotation 3! We are in full swing after completing our first week of our third and final work rotation of the school year. It was great to see students start at new job sites. Starting somewhere new can feel overwhelming, but our students embraced the challenge and really rose to the occasion. I was able to see students advocating for themselves and initiating tasks. Some students returned to familiar job sites. This offered a chance to show leadership and demonstrate growth in learned skills. I continue to be impressed with our students and how they represent Jardon in the community!

A HUGE thank you to our job coaches that worked hard to prepare for the start of a new rotation! It is thanks to these staff members that we are able to continue to explore job sites in our community and school. Thank you, thank you!
