Letters From Lenore Transition Coordinator

As we end the 2024 school year, I am grateful for the opportunity to serve as your temporary Transition Coordinator. I have thoroughly enjoyed my time back at Jardon and engaging with your young adults. While I am eager to return to retirement life and my new grandbaby, I feel privileged to serve in this role again and to help out until the position is filled. I wish you and your family a joyful, peaceful, and restful Holiday Season and break. May the coming days be filled with peace, laughter, and all you cherish most.

Happy Holidays

OTC (Over-The-Counter) Medications and School Safety

Hello parents, guardians, and caregivers!

Quick reminder on OTC medications at school (and the *WHY?* behind them!):

*****OTC medications include topical creams, sprays, vitamins, homeopathic remedies, pain relievers, or any other medicine that can be obtained without a prescription. *****

- All medications require a Medication Authorization form, filled out and signed by the student's prescriber, with parent's/guardian's signature. *This way (just like with prescription medications) I know how much of the medication to give (what's listed on the box/bottle may not be appropriate given student's individual needs), and exactly when/why to give it.*
- OTC meds need to be in their original, unexpired, and preferably previously unopened container (no questions on if any of the medication was tampered with in transit!). As with prescription meds, I will also send a Medication Intake form to provide a record of what was sent and the amount.
- Cough drops cannot be given in the school setting. *Unfortunately, these are a choking hazard. If your child's cough or throat discomfort is concerning, please consult a medical professional.*

These are the highlights from our district's School Medication Administration Authorization form.

Please see the form for further information and details:

<https://www.hazelparkschools.org/departments/health-services/>; scroll down and click on "HPS Medical Plan Forms"; "Medication Authorization Form" is the first link listed.

Any questions, feel free to reach out!

Have a wonderful, relaxing, and safe break - see you back in the New Year!!

The food goes very quickly, so please come early to get in line. We cannot distribute items until the milk truck arrives and the setup is done.

Hazel Park Schools has partnered with Gleaners Community Food Bank to bring the School Mobile Food Pantry to our students and their families. **Food distributions deliver 20-30 lbs of food, including milk, lean meats, fresh fruits, vegetables, and dry goods every month.**

Please line up in your car in the parking lot, going down Elza in front of the school. **Please do not block any driveways and be sure to line up along the curb to avoid blocking the road.** We appreciate your cooperation in this matter out of respect and safety for our neighbors.

Please have your Gleaners card ready when you arrive. If you are new to Gleaners and do not have a card, you will be asked to fill out a form with your information as well as information for those in your household.

Gleaner's information will be sent by email and voice messages as reminders when you sign up for communications through your children's school.

Sign up for communications may be done through your Parent Portal on PowerSchool or the school district website, www.hazelparkschools.org/parents/resources--quick-links, then click on Alert Sign up.

Contact your Community Representative to help your family with resources for things such as bill pay, eyeglasses, local food pantries, and other resources. We want to make sure that all the needs of our students are addressed to the best of our abilities.
