## Pick-Up and Drop-Off Procedures

Our parking lot is a one-way drive. The entrance is on Otis Dr. and it exits onto Highland. Please adhere to all signs and directions. As you enter the Drop Off and Pick Up Zone please stay to the left. Do not park in the parking lot- students CANNOT cross to get to you in a parking spot or any other lane that is not against the sidewalk. Students need to exit on the left side of the car (behind the driver) whenever possible so they are safely on the sidewalk. If your child must exit from the passenger side, we are asking students to walk BEHIND your vehicle so that you can pull into the center lane to exit. All students are exiting through the front doors at the end of the day. If you do not want to be waiting in the pick-up line, we suggest planning an alternate pick-up location with your student (Scout Park, side street, etc) . The back parking lot is for buses only and cannot be used for pick-up or drop-off.
