

Jardon Vocational School Parent Newsletter From The Principal

November 22nd, 2024

Dear Jardon/Webb Community,

We have officially entered the time of year where we are likely to see increased illness. I have included the CDC respiratory virus guidance snapshot below as well as guidance for when you should keep your child home due to illness. We do our best to stop the spread of illness and with your cooperation we can help minimize the spread.

Picture retakes are rescheduled for Monday, November 25. If your student needs retakes please plan to send in the pictures you are returning and let their teacher know so we can make sure they are retaken.

Next week is a short week. School will be in session Monday and Tuesday. Staff and students will have the opportunity to enjoy a traditional Thanksgiving turkey meal for lunch on Tuesday, November 26. Students will be off to enjoy the Thanksgiving holiday starting on Wednesday, November 27. There will be no newsletters sent out next week.

Please join us on social media! Find us on Facebook by searching for Jardon Vocational School. You will see regular updates posted there about what's going on at Jardon! Please feel free to contact me at heidi.kunz@myhpsd.org or 248-658-5953, if you have any questions or concerns.

Thank you,

Heidi Kunz

Respiratory Virus Guidance Snapshot

Core Prevention Strategies

Immunizations 	Hygiene 	Steps for Cleaner Air 	Treatment 	Stay Home and Prevent Spread*
--------------------------	--------------------	----------------------------------	----------------------	--

Additional Prevention Strategies

Masks 	Distancing 	Tests
------------------	-----------------------	------------------

*Stay home and away from others until,

and

Your symptoms are getting better You are fever-free (without meds)

for 24 hrs

Then take added precaution for the next 5 days

Layering prevention strategies can be especially helpful when:

- ✓ Respiratory viruses are causing a lot of illness in your community
- ✓ You or those around you have risk factors for severe illness
- ✓ You or those around you were recently exposed, are sick, or are recovering

349386-C

Hazel Park Schools

YOUR STUDENT SHOULD STAY HOME WHEN:					
THEY HAVE A FEVER	THEY APPEAR ILL	THEY ARE VOMITING	THEY HAVE DIARRHEA	THEY HAVE A RASH	THEY HAVE AN EYE INFECTION
100.4 °F or higher	Unusually tired, low energy, poor appetite, or is not themselves	2 or more times within the past 24 hours	2 more times within the past 24 hours	Body rash AND fever or change in behavior (itchiness)	Redness, itchy and/or crusty drainage from eye
YOUR STUDENT CAN RETURN TO SCHOOL WHEN:					
They are fever free for 24 hours without medication to treat the fever. If your student has strep throat/scarlet fever, they may return after 2 doses of antibiotics AND 12 hours have passed since the	They feel well enough to come to school.	No vomiting for 24 hours OR a health care provider clears the student for return with a written note.	No diarrhea for 24 hours OR a health care provider clears the student for return with a written note.	Rash has gone away OR a health care provider clears the student for return with a written note.	Drainage from the eye has cleared AND a health care provider clears the student for return with a written note.

If your student has ringworm or scabies, they should stay home until they see a health care provider. Exclusion recommendations will be based on Michigan Department of Health & Human Services and Oakland County Health Division guidelines.

Thursday- 12/05- P.M.- Somerset Mall

(All CBI locations are subject to change due to weather etc.)

**Letters From
Lenore Barshaw**

**Transition
Coordinator**

Jardon General Store and Greenhouse

At the Jardon General Store, students learn to stock, clean, and inventory goods. In addition, they learn to use the cash register, the credit card machine and give back appropriate change to customers. They also learn to greet customers appropriately and take phone orders for customers at Webb Elementary and Jardon. The Jardon General Store was established in 2020 to showcase and sell many of the products our students make at their in-house job sites and classrooms. It is open to the public daily. Feel free to stop by during store hours to see all the amazing work our students are doing in the General Store.

At the Jardon Greenhouse students learn to take care of the variety of plants grown there. They weed and water daily. They also plant seedlings and repot plants. In addition, during the Winter holiday season, they create and sell porch pots, grave blankets, dinner table greens, etc. In the Fall, mums and other fall arrangements are created and for sale. In the Spring, flats, porch pots, and hanging baskets are created and for sale.

We will be hosting a Holiday Sale December 2-13 with a longer day on December 5 (open until 6:00 p.m.). Come on out and see all the fabulous work our students are doing and creating.

News From Nurse Stephanie

Antibiotic Resistance: Rebels With a Cause

Antibiotics - medications that destroy certain disease-causing germs - have successfully treated many infections since Alexander Fleming accidentally discovered penicillin in 1928! But germs, like all living things, are driven to survive. That means that they sometimes develop ways to resist the effects of antibiotics in order to keep on living. This “rebellion” is called **antibiotic resistance**.

Antibiotic resistance is associated with overuse and misuse of antibiotics - taking them too frequently, and using them for infections that are not caused by bacteria or fungi, such as viral infections.

When antibiotics are no longer effective against their intended **pathogens** (disease-causing germs), our treatment options shrink, which can be detrimental for patients.

However, proper prescribing practices as well as taking steps to prevent infection at home, in schools, and the larger community reduces antibiotic use/misuse, and can help curb antibiotic resistance⁴. Hand washing with soap and water, staying home when sick, washing household linens (towels, bedding) on the very hot cycle, and cleaning up/ sanitizing after kitchen spills (using proper bleach solution or disinfectant) are just a few simple ways to decrease the risks of infection! How many more can you come up with?

Stay well,

Nurse Stephanie

Dear Jardon Students and Families,

- Practice Day: On Mondays after school from 2:30-4:30 in the Webb gym. Athletes need to be picked up promptly at 4:30 at the Webb gym. If you're running late to pick up your athlete please notify Coach Jen at 248-843-1812 with a call or text message. Please note:
 - The first day of practice will be 11/18/24. The last day of practice will be 3/10/24.
 - There will be no practice on days that school is canceled due to inclement weather or for other reasons.
 - There will be no practice on days that the school is closed per the 2024-2025 academic calendar schedule. **These days are: 12/23/24, 12/30/24, 1/20/25, 2/17/25**
 - Practice day attire: comfortable work-out clothes, gym shoes with secure shoelaces, and water bottle.

Our game schedule is contingent upon the availability of other teams to play and the collaboration with their coaching staff to schedule games, therefore, our game schedule is a dynamic schedule that is subject to change with games being added throughout the season, or canceled based on inclement weather or other factors. As soon as our coaching team has confirmed a scheduled game will let athletes and their families know as soon as possible.

- The coaches this season are: Coach Jen, Coach Mark, Coach Phil, Coach Zach, and Coach Jalen. Coach R is enjoying her retirement!

We are excited for our new basketball season! Go, Crusaders!!!!

Coach McCuiston,
