Dear Jardon/Webb Community,

We are very excited to be hosting a voter registration event for our students on Friday, October 18, 2024. This will take place during the school day. Any student who is 18 years of age will be able to register to vote during this event.

Parent teacher conferences are quickly approaching. On October 24, students will be dismissed at 11:00 a.m. Parent teacher conferences will be held from 1:00-3:00 p.m. and 4:00-6:00 p.m. Your child's caseload teacher will be reaching out to schedule a conference with you. Ancillary staff will be available so please reach out if you would like to set up an appointment with them. We look forward to having you come in person to discuss your student's progress.

The first Jardon Adult Programs Fun Night of the year is approaching on October 30! This is always a great time! Students may wear costumes to Fun Night but they must be school appropriate and we ask that no masks be worn and no weapons of any kind be included.

## **FROM THE TRANSITION COORDINATOR**

### Adult Life After Jardon

I have been getting questions from parents/guardians about what his/her young adult will do after aging out of public education. While I am not an expert on this topic, I do have some information I would like to share.

As adults with disabilities receiving Social Security Income (SSI) and Medicaid, your young adult is eligible for services after public education. Since Jardon's main goal is to help students become employable, we generally initiate working with Michigan Rehabilitation Services (MRS) to help students achieve this goal. MRS helps individuals with disabilities seek competitive employment. However, MRS does not provide long-term job coaching, so sometimes, this is not the path our students can take once they leave Jardon.

Suppose a young adult leaving our program is not ready for competitive employment. In that case, he/she is often eligible for continued prevocational services and community-based instruction through agency support (Easterseals/MORC or CLS). These services vary depending on which agency you are with. As guardians, you always have the right to switch which agency you are working with.

If you are working with Easterseals/MORC and it is deemed that your young adult cannot be competitively employed, your Support Coordinator can help you begin exploring various prevocational/vocational centers or day programs focusing on skill building and supported employment. The Support Coordinator will get the authorizations necessary for your young adult to attend one of these programs.

There are many of these centers in Oakland County: JVS, New Horizons, Judson Center, Living and Learning, Dutton Farms, New Gateways, Creative Empowerment Opportunities (CEO), etc. Many of these programs have waiting lists, so my suggestion is to visit these programs within a one/two-year window prior to your young adult aging out of public education.

**CLS (Community Living Services) takes a different approach to providing services. CLS assists people in developing a Person-Centered Plan and then creates an individualized plan based on the needs of the individual. They often do not send individuals to prevocational centers, but instead develop a plan with you to assist your young adult in achieving his/her dreams and goals.**

**Whether or not you are with Easterseals/MORC or CLS, it is important to begin the conversation with your Support Coordinator about your young adult's dreams and goals after public education. I always tell parents that age 26 comes quicker than you think. Planning early is imperative.**

If you have any questions about services for your young adult, please do not hesitate to call or email me. I am always happy to assist in this process.
