PARENT NEWSLETTER
FROM THE PRINCIPAL**

October 4th, 2024

Dear Jardon/Webb Community,

Beginning with the 2024-2025 school year, Hazel Park Schools began using a new student information system called PowerSchool. There have been some bumps in the road but we are working hard to learn the ins and outs of this new program which also drives our Individualized Education Plans (IEP's). We appreciate your patience as we work through our first IEP's of the school year utilizing this new program.

The first Jardon Adult Programs Fun Night of the year is approaching on October 30! This is always a great time! Students may wear costumes to fun night but they must be school appropriate and we ask that no masks be worn and no weapons of any kind be brought.

Our September Student of the Month candidates have been selected and are pictured below. We are excited to celebrate our outstanding students!

Please join us on social media! Find us on Facebook by searching for Jardon Vocational School. You will see regular updates posted there about what's going on at Jardon! Please feel free to contact me at heidi.kunz@myhpsd.org or 248-658-5953, if you have any questions or concerns.

Thank you,

Heidi Kunz

News From Nurse Stephanie

<https://uncashd.org/breast-cancer-awareness/>

FACTS AND STATS

Breast Cancer Awareness Month

Breast cancer is the most common cancer in pregnant and postpartum women and occurs most often between ages 32-38.

For women in the U.S., breast cancer death rates are higher than those for any other cancer, besides lung cancer.

As of January 2018, there are more than

3.1 Million

women with a history of breast cancer in the U.S. This includes women currently being treated and women who have finished treatment.

HOW MANY WOMEN WILL DEVELOP INVASIVE BREAST CANCER?

About 1 in 8 U.S. women (about 12.4%) will develop invasive breast cancer over the course of her lifetime.

CAN ONLY WOMEN BE DIAGNOSED WITH BREAST CANCER?

The American Cancer Society estimates for breast cancer in men in the United States for 2018 are: About 2,550 new cases of invasive breast cancer will be diagnosed; about 480 men will die from breast cancer.

Are you more likely to get breast cancer if a family member was diagnosed?

A woman's risk of breast cancer nearly doubles **x 2** if she has a first-degree relative (mother, sister, daughter) who has been diagnosed with breast cancer.

From The Transition Coordinator

This week I was able to visit almost all of the job sites inside and out of the building. It is always exciting to see our young adults learning to navigate the world of work. The skills of dressing appropriately, initiating tasks on their own, following directions from the job coach, using technology appropriately, and managing a scheduled break/lunch are just some of the things I was able to witness while visiting. While some students managed these skills well, others still need assistance and prompting to complete these tasks. We continue to practice these skills with our students and see progress in various areas of development depending on the skill level of the student.

I was also able to attend several IEP meetings these past few weeks. As a Transition Coordinator, it is my role to inform and educate parents/students about the various services available for our young adults outside of school. As many of you know, I am the guardian of my brother-in-law. This past month we have switched his caregiving staff to self-directed care through the ARC of Oakland. This means my husband and I were able to hire the staff we chose for him. I will fully admit this was not an easy process. The paperwork is daunting. It does take a village as they say. We have now completed the process and are very happy with the caregiver we were able to hire to help assist him in his grocery shopping, paying bills, cleaning his apartment, planning meals, and enjoying his favorite activities in the community.

If you have any questions about services for your young adult, please do not hesitate to call or email me. I am always happy to assist in this process.

Basketball News

Dear Jardon Students and Families,

- The deadline for registration is Monday, October 28, 2024. Students will be required to have all paperwork completed and turned in on or before this day to join the team. All new athletes must have an athletic physical exam by a doctor to join the team. Returning athletes must have an athletic physical exam by a doctor to join the team every three years.
- Practice Day: On Mondays after school from 2:30-4:30 in the Webb gym. Athletes need to be picked up promptly at 4:30 at the Webb gym. If you're running late to pick up your athlete please notify Coach Jen at 248-843-1812 with a call or text message. Please note:
 - The first day of practice will be 11/18/24. The last day of practice will be 3/10/24.
 - There will be no practice on days that school is canceled due to inclement weather or for other reasons.
 - There will be no practice on days that the school is closed per the 2024-2025 academic calendar schedule. **These days are: 12/23/24, 12/30/24, 1/20/25, 2/17/25**
 - Practice day attire: comfortable work-out clothes, gym shoes with secure shoelaces, and water bottle.

Our game schedule is contingent upon the availability of other teams to play and the collaboration with their coaching staff to schedule games, therefore, our game schedule is a dynamic schedule that is subject to change with games

being added throughout the season, or canceled based on inclement weather or other factors. As soon as our coaching team has confirmed a scheduled game will let athletes and their families know as soon as possible.

- The coaches this season are: Coach Jen, Coach Mark, Coach Phil, Coach Zach, and Coach Jalen. Coach R is enjoying her retirement!

We are excited for our new basketball season! Go, Crusaders!!!!
