Dear Webb Elementary Families,

Hazel Park Schools is fortunate and excited to offer busing for elementary students living within the Webb Elementary building zone for the 2024-25 school year.

If you sign up for busing, students will be picked up and dropped off after school daily. Students **MUST** live within the Webb Elementary boundaries to take advantage of busing. At this time, students **CANNOT** be dropped off at a pickup location to be bused to school. Below you'll find the bus route information. Please have your students at their designated bus stop at least five minutes before their scheduled pick-up time. Pick-up and drop-off information for half days will be coming out shortly.

Our buses will also utilize [Bus Compass](#) so parents, after downloading the app, can track the progress of pickups and dropoffs which will help us provide high-quality and safe transportation services that will accommodate our students. Click here – [Bus Compass](#) – on how to download and use the app.

If you haven't already signed up for busing at Webb Elementary you can do so by sending an email to [gina.brew@myhpsd.org](mailto:gina.brew@myhpsd.org).

We plan to expand this program to bus all of our elementary students who attend our elementary schools and live within Hazel Park. We will expand this service to Hoover Elementary and United Oaks Elementary as we purchase buses and hire extra drivers.

If someone you know is passionate, positive, and interested in becoming a bus driver, please visit our website at [www.hazelparkschools.org/departments/human-resources/](http://www.hazelparkschools.org/departments/human-resources/) to apply.

Let's Roll,

Amy Kruppe  
Superintendent of Schools
