## From the Principal

Dear Parents and Families,

During October we will be working to support our students with information and lessons on bullying. October is Anti-Bullying month and our goal is to bring awareness for our students and families about what bullying is and what it isn't and how to prevent it or stop it if it is happening. Please see information below about special dress days and activities.

If you have any questions or concerns, please feel free to reach out to me via email; [corri.nastasi@myhpsd.org](mailto:corri.nastasi@myhpsd.org) or by phone; 248-658-5900.

Sincerely,

*Corri Nastasi*

## Intervention Letters going out

We are happy to report that most of our testing is done and we have identified students in need of extra intervention support in reading. Intervention groups will start this week. If your child is part of this group, he/she will come home from school with a letter letting you know. This is an awesome opportunity to give your child valuable extra support so they do not fall behind. If you do NOT want your child to participate, you can sign the form and return it to school with your child.

## YMCA SportPort

Every other week the YMCA will put on an after school fun event on Thursdays for any Webb students who are interested. For each event there is a new sign up so every two weeks your child will have a new chance to participate. This week we will be hosting again. Look for the link in your email today. The first 24 are chosen each time. Here is the link for this week: [Webb Elementary YMCA SportPort Registration Link 10-10](#)

## Tardy Party

To encourage students and families to be on time to school each and every day, we will be bringing back our "no tardy parties". This week will be our first week. The kids really enjoy doing this and it is a great way to motivate everyone to be on time to school each day. When students are on time each week, they are able to participate in some sort of fun treat or event. Each week they get a fresh start, so if you have a bad week, there is always next week to try again. We hope your child will be joining us each and every week.

## October Students of the Month

Congratulations to our October Students of the Month! We look forward to celebrating with the students and families at our Student of the Month Breakfast on October 24th at 7:30AM.

## Bagels \$1.25

We will be selling bagels on WEDNESDAYS this year and they will be now be \$1.25. Please make a note of these changes. One suggestion was to send the dollar and quarter in a plastic ziploc type bag, so your child doesn't lose any of their money. We will again offer salt, plain, cinnamon raisin & onion. Students who are late will NOT be allowed to buy a bagel unless they have a doctor's note for their tardiness. The cost of the bagel is now \$1.25.

## Halloween Parade

Thursday, October 31, will be a half day for our students. That day we will celebrate Halloween with our students and all students will be able to wear costumes to school (no blood, weapons, or scary masks). There will be a Halloween parade at 10:30AM for all of our parents/family members that want to attend. Our first choice is to parade outside around the small playground. If the weather is bad, we will invite family members into the gym and parade around the gym. Hope to see you there!

## Vaccination Clinic

## Childhood Vaccination Clinic

The best way to protect children from serious diseases is to follow the recommended vaccination schedule. When following the recommended schedule children are fully protected and any school vaccination requirements are met.

## M-STEP Reports

Parents of students in 4th and 5th grades (last years 3rd & 4th graders) received reports on Friday about your student's progress on the M-STEP test. Please take some time to review this with your child. This test is important as it is a measure of the child's as well as the school's progress in teaching the state standards.

## Playground After School

With the nice weather in the fall many families choose to stay and play on the playground after school. Please don't forget our school rule about playground use after school. Any students staying on the playground after school **MUST BE ACCOMPANIED BY AN ADULT** and the adult must be physically in the playground area. This does NOT count for older siblings. Students who walk home, must go home and cannot return until after 6PM (when latchkey is done for the day) without an adult. We do NOT monitor the playground after school. Adults **MUST** monitor their students. We appreciate your help with this.

## October is Anti-Bullying Month

October is Anti-Bullying Month and we have a series of activities planned to support this initiative at Webb. We will be kicking off with our monthly Monday Morning Meeting next week. Throughout the month the morning announcements will give tips and information about bullying. The students will be doing different activities each week as they learn about what bullying is and is not and tips for stopping bullying or reporting it if they see it. We will also have special dress up days each week to show our support. Our hope is to bring awareness to our whole Webb community.

### Anti-Bullying Dress-up Days:

- Monday, October 7th - It's Okay to Be Different - mismatch day
- Wednesday, October 16th - Unity Day: For Kindness, Acceptance and Inclusion - Wear orange
- Friday, October 25th - Put Bullying to Rest - Wear pajamas to school
- Tuesday, October 29th - Stomp Out Bullying - wear Webb gear w/paw prints or dark blue

Dear Parent or Guardian,

As you know, Webb Elementary School has been implementing School-Wide positive Behavior Interventions and Supports (SWPBIS) which is a proactive approach to establishing the behavior supports and social culture needed for all students in a school to achieve social, emotional, and academic success.

This school year, we will be utilizing a behavior universal screener, Social, Academic, and Emotional Behavior Risk Screener, used by teachers that will help identify school-wide behavior and social-emotional supports that can support all students and will help identify students who may be having minor challenges in school, such as following rules and expectations to making friends. Our goal in using this universal screener is to identify school-wide instructional needs, inform the use of teacher-delivered strategies, and identify students who may need additional support.

The behavior universal screener is completed 3 times per year (October, January and March). Your child's classroom teacher will review the class roster and identify students who currently may be having difficulties in school. The information is kept confidential and only used to determine instructional needs at the classroom and individual student level. We will contact parents of children who have been selected to participate in a simple intervention focused on supporting the child in a proactive and positive manner.

Please feel free to contact me if you have any questions at 248-658-5900

Sincerely,

*Corri Nastasi*
