From the Principal

Dear Webb Families,

We are just about to wrap up for the holiday break. The teachers and students have been working hard to finish up units and keep that learning going strong until the end. Thanks to all of our parents who support their students' learning from home all year long. It is our wish that all of our Webb families are able to celebrate and enjoy the time off together. We will be doing a whole school reading incentive for our students so they keep those reading skills sharp over the break, so look for that to come home on Friday with the students. We look forward to seeing all of our students back in January rested and ready to get back to learning.

If you have any questions or concerns, please feel free to reach out to me via email; corri.nastasi@myhpsd.org or by phone; 248-658-5900.

Sincerely,

Corri Nastasi

Principal, Webb Elementary

Our Next YMCA event will be this Thursday, December 19th. Here is the link: [Webb Elementary YMCA SportPort Registration Link 12-19](#)

Holiday Break

The last day of school for the holiday break is Friday, December 20th. This is a half day. After that school will be closed until Monday, January 6th. We hope you enjoy this time with your family over the holidays.

Reading Over Break

On the Friday before we leave for the holiday break, all students will receive a reading log that can be used for each half hour they read over break. Please have your child read over break, fill out the log, have it signed and return it after break for a special reward.

Webb Bus

The bus that travels to Webb will now be available for students outside of the Webb school attendance area. Any students wishing to ride the bus from outside the Webb area should reach out to Gina at (248)658-5948 to make sure there is availability. Please keep in mind that you will have to join one of the established Webb stops. The bus will NOT be adding stops or traveling outside of the Webb area. You must be registered to use the bus, so please reach out to Gina to set it up if you would like your child(ren) to join.

Cold Weather

Although the weather has taken a warm turn, we are getting closer to winter so we want to remind you about the importance of sending your child to school with warm jackets, etc. We try to go out for recess as much as possible so the students get some fresh air and exercise. The cutoff temperature is 20 degrees with wind chill factored in. Please make sure that your child brings appropriate gear to school to keep them warm during outside recess. If there is snow on the ground the students will ONLY be allowed to play on the playground if they have winter boots on. If they don't have boots they must stay on the sidewalk area. We do have some donated winter items if your child is in need - reach out to the school office to see if we have any items that would fit.

Life Club

We are offering an opportunity for your student to attend Life Club, on Tuesdays right after school until 4:45, to learn about the Bible. This is an after school club and not part of the regular district curriculum. There will be three separate sessions arranged by grade level. If you would like your children to attend the same session, please note the session you would prefer, and we will do our best to include all of them. Each student will only be able to attend one session.

- Session II, Grades 2-3: Jan 14, Jan 21, Jan 28, Feb 4
- Session III, Grades K-1: Feb 25, March 4, March 11, March 18

Please contact Susan Tompkins (susan.tompkins@myhpsd.org), if you have any questions or would like a registration form.

December 2024

From the teacher Mrs. McClenahan:

It's been a busy month as artists have practiced new ways to use materials, learned about color and value, and have put in lots of effort to finish projects before the New Year. Work is coming home and look for even more after our Winter Break.

Up next, we will integrate our arts education into Webb's non-fiction book units of study. There should be lots to see and learn from our amazing students at our Non-Fiction Book Night in January. Art will join writing to highlight our learning. You won't want to miss this event!

The Arc of Oakland County is collecting some information about our local cities and townships. We want to learn more about which cities and townships are inclusive and accessible and which ones need improvement. We'll use this information to drive advocacy efforts in our community. The survey will take 5-10 minutes to complete and will be accepting responses until 12/31/2024. I'd greatly appreciate if you could send this to your special education families and well as your district's PAC. Please let me know if you have any questions.

COMMUNITY ACCESSIBILITY EXPERIENCE SURVEY

The Arc of Oakland County believes that all public locations should be inclusive and accessible to individuals of all ages and abilities.

To better support our advocacy efforts, please take our brief survey and share your experiences. The survey will remain open until 12/31/2024.
