## From the Principal

Dear Webb Families,

Thank you to everyone for being patient with us as we moved into our new student information system, PowerSchool. There have been some bumps in the road, but we are getting better at using it every day and hopefully as we move into next year, it will be much more seamless. One thing we have noticed is that many accounts have very little to no emergency contacts. This may have occurred as we moved information over from MiStar or maybe they weren't filled in completely at registration. We encourage each family to go in and review your emergency contacts to be sure that everyone on there is accurate and that there is accurate contact information for each person. Please also make sure any outdated phone numbers or addresses are updated as well. In case of emergency it is vital that we have a way to reach a parent or guardian.

Also, please don't forget that if you are checking a child out early from school, please call and let the school know or email our secretary, Mrs. Adams at [jennifer.adams@myhpsd.org](mailto:jennifer.adams@myhpsd.org). This is especially important if you are having someone else pick up your child from school early. It is also vital that anyone picking your child up from school be on PowerSchool as a contact for your child(ren).

Please partner with us in making sure we have this accurate updated information as soon as possible. If you are having trouble with PowerSchool and need some help, please reach out to our school office and we can help you.

Sincerely,

*Corri Nastasi*

Principal, Webb Elementary

## **Bagels for the 2nd half of the year**

We are offering parents the opportunity to make ordering bagels a little easier. If you would like to purchase bagels for the second semester (16 weeks), you can pay \$20 this week and we will reserve a bagel for your child every week for the rest of the year. Just send in the \$20 with your student in an envelope and let us know that you would like to order them for the year. If you want your child to have two bagels each day, you can send in \$40, etc. We hope this will make things a bit easier for busy families. Bagels will still be available on a weekly basis for \$1.25 each.

## **YMCA SportPort**

Our next YMCA after school event will be this Thursday, January 30th. Here is the link: [Webb YMCA Sportport Registration Link 1-30](#)

## **Swim Party Date Change**

The Webb PTA has moved the date of the pool party from February 28th to March 14th due to a scheduling conflict with the Hazel Park High School swim team. More information will come as the event gets closer. Please make a note of it on your calendars.

## **5th Grade Camp Meetings**

We will have two fifth grade informational camp meetings on Wednesday, February 5th- one at 3:30PM and one at 5:30PM. We have given you two options but each family will only need to attend one. You will receive important information about attending camp and get paperwork that is needed. If you are planning on having your child attend camp, please plan on having an adult attend to get this information.

## **Life Club**

Hi Families! This is a reminder that Life Club, Session II will begin on Tuesday, January 14th. It is primarily for students in grades 2 and 3; however, it is open to students of every age. Students may only attend one of the four week sessions. If you need a permission slip, please send an email, and I will send one home with your student.

Session II, **Grades 2-3**: Jan 14, Jan 21, Jan 28, Feb 4

Session III, **Grades K-1**: Feb 25, March 4, March 11, March 18

Thanks! Mrs. Tompkins

## **Cold Weather**

We try to go out for recess as much as possible so the students get some fresh air and exercise. The cutoff temperature is 20 degrees with wind chill factored in. Please make sure that your child brings appropriate gear to school to keep them warm during outside recess. If there is snow on the ground the students will ONLY be allowed to play on the playground if they have winter boots on. If they don't have boots they must stay on the sidewalk area. We do have some donated winter items if your child is in need - reach out to the school office to see if we have any items that would fit.

## Sex Education Advisory Board

The Hazel Park School District is revitalizing the Sex Education Advisory Board whose job is to set goals and review the sex education instructional program/materials taught in our schools.
