From the Principal

Dear Webb Families,

Happy New Year! I hope you all enjoyed some extra time with your kids these past two weeks. We are all ready to get back to learning this week and we hope the kids are too. Please remember how important it is to get back into regular sleep routines. Our kids need this so much. I cannot tell you how many times I am dealing with students with behavior issues and then it comes out that they were up late or are overtired for one reason or another. I feel that in myself as an adult when I am sleep deprived, and I see it in my own kids when they have been up late. Sleep plays an important role in learning and behavior. A parent once gave me some great advice when she was talking to me about having her kids read each night at home. She said, "Sometimes we fall off the horse, but the next day we get back on and try again. There are going to be days when you can't make it work, but the important part is you don't stop trying". There are going to be random late nights here and there for one reason or another, but the important part is that that is the exception and not the rule. As we get into the new year, I am hoping you will support your kids and get into consistent routines for good healthy sleep. When our sleep expert came in a few years ago to talk with our families she said kids this age need 10-12 hours of sleep for their bodies and brains to do the growing that is needed. With school starting at 8AM, that would mean bedtime should be around 8PM. I think you would be surprised at how much better your kids will feel and how much easier it will be to get them up and going in the morning. We look forward to working with you to have a successful second half of the school year.

Sincerely,

Corri Nastasi

Webb Bus

The bus that travels to Webb will now be available for students outside of the Webb school attendance area. Any students wishing to ride the bus from outside the Webb area should reach out to Gina at (248)658-5948 to make sure there is availability. Please keep in mind that you will have to join one of the established Webb stops. The bus will NOT be adding stops or traveling outside of the Webb area. You must be registered to use the bus, so please reach out to Gina to set it up if you would like your child(ren) to join.

Cold Weather

Although the weather has taken a warm turn, we are getting closer to winter so we want to remind you about the importance of sending your child to school with warm jackets, etc. We try to go out for recess as much as possible so the students get some fresh air and exercise. The cutoff temperature is 20 degrees with wind chill factored in. Please make sure that your child brings appropriate gear to school to keep them warm during outside recess. If there is snow on the ground the students will ONLY be allowed to play on the playground if they have winter boots on. If they don't have boots they must stay on the sidewalk area. We do have some donated winter items if your child is in need - reach out to the school office to see if we have any items that would fit.

Webb Talent Show

It's time for the annual Webb Talent Show. Please see the information below about the first meeting for any students that are interested in participating.
